# Login / Registration Instructions

For a **New Customer** to access your **MyAccount** experience, please follow the instructions below:

## 1 Visit webpage

Visit the Pulte.com webpage and click the **Log | Register** button at the top of the page.

## 2 Create an account

Enter your email address and click the **Continue** button. Complete the required fields with your information.

## 3 Register home

Choose **Yes** for **Already a Pulte Homeowner?**. Enter the primary buyer's last name and your agreement number to register your home. Then click the **Create Account** button.

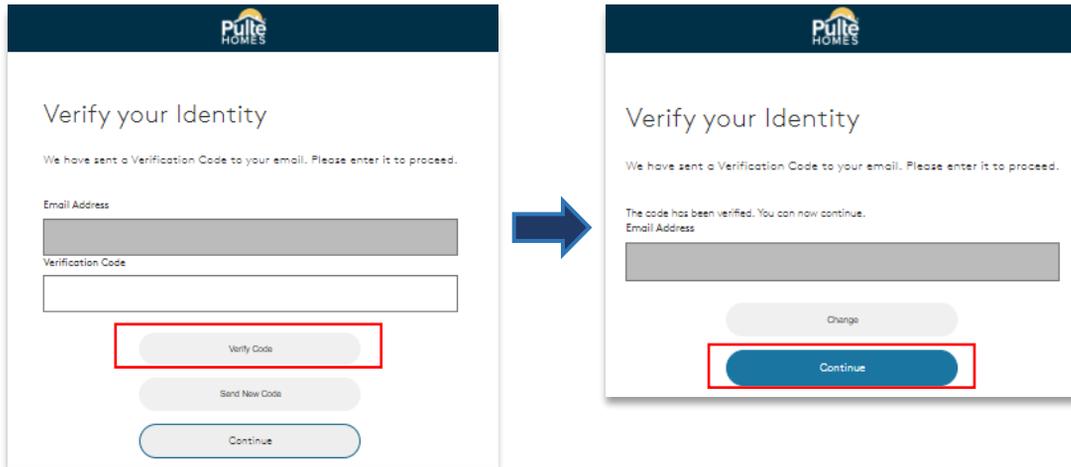

A screenshot of the Pulte.com registration page. The page is titled 'Account Benefits' and 'Register'. The 'Register' section includes fields for 'First Name', 'Last Name', 'Email', 'Password', 'Verify Password', 'Phone', and 'Zip Code'. There is a checkbox for 'Outside of the US'. Below the registration fields, the 'Already a Pulte Homeowner?' section is highlighted with a red box. It contains radio buttons for 'No' and 'Yes' (selected), a 'Contract Last Name' field, and a 'Homeowner Agreement Number' field. A 'Create Account' button is at the bottom of this section. The 'Account Benefits' section on the left lists 'Shopping and Buying' and 'Pulte Portal' with their respective benefits.

# Login / Registration Instructions

For a **New Customer** to access your **MyAccount** experience, please follow the instructions below:

## 4 Verify email

Enter the 6-digit verification code sent to your email address and click the **Verify Code** button to continue.

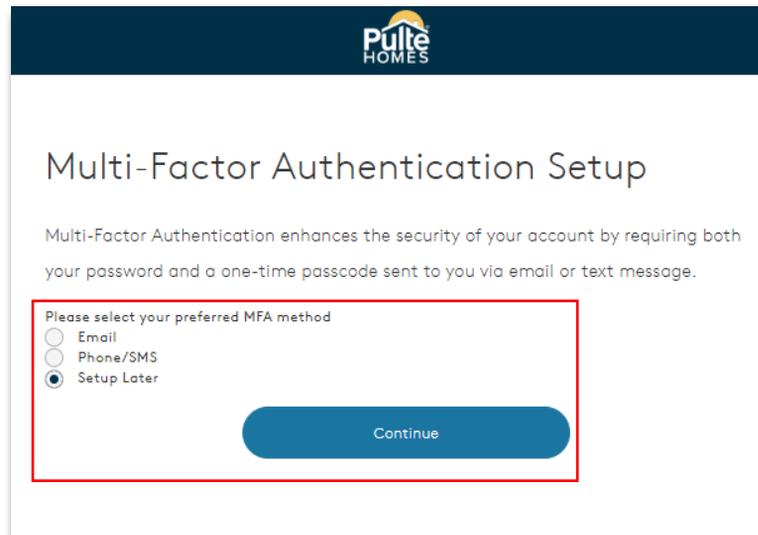

The first screenshot shows the 'Verify your Identity' screen. It includes the Pulte Homes logo, the title 'Verify your Identity', and the instruction 'We have sent a Verification Code to your email. Please enter it to proceed.' Below this are two input fields: 'Email Address' and 'Verification Code'. At the bottom, there are three buttons: 'Verify Code' (highlighted with a red box), 'Send New Code', and 'Continue'.

The second screenshot shows the same screen after successful verification. The text now reads 'The code has been verified. You can now continue.' Below the 'Email Address' field, there is a 'Change' button and a 'Continue' button (highlighted with a red box).

## 5 Setup MFA (Optional)

Choose **Setup Later** or your preferred MFA method and click the **Continue** button.

The screenshot shows the 'Multi-Factor Authentication Setup' screen. It features the Pulte Homes logo at the top. The main heading is 'Multi-Factor Authentication Setup'. Below the heading is a paragraph: 'Multi-Factor Authentication enhances the security of your account by requiring both your password and a one-time passcode sent to you via email or text message.' A red box highlights a section titled 'Please select your preferred MFA method' which contains three radio button options: 'Email', 'Phone/SMS', and 'Setup Later' (which is selected). Below this section is a blue 'Continue' button.
